

## TOWNUS 90

The new Townus 90 3-way floor-standing loudspeakers captivate with their elegantly designed cabinets with rounded edges and the noble surfaces with timeless elegance. They are available in white satin, black „high-gloss“ and in the real wood variant walnut. Three 174 mm drivers, with titanium diaphragms, provide dynamic bass and detailed, powerful midrange. The proven 25 mm dome tweeter made of aluminium oxide ceramic shines with its detailed and accurate sound.
