

AR 5

The AR 5 is a 2-way compact speaker that is placed as a „Dolby Atmos Enabled Speaker“ on the existing front or surround speakers of your home cinema system. Alternatively, the compact models can be used as stereo or effects speakers, either individually or hanging on the wall in an existing home theatre system. The integrated wall bracket allows for easy wall mounting. In the closed-back AR 5, we use sophisticated components and use titanium as the cone material for our 154 mm bass-midrange driver and ceramic for the 25 mm tweeter.

TECHNICAL DATA

Type	Dolby® Atmos speaker
Engineering Principle	2-way closed
Nom. /Musicpower	60 / 100 watts
Frequency response	50...30.000 Hz
Crossover frequency	3.200 Hz
Midrange / Woofer	1 x 154 mm (6.1"), titanium (Wave surround)
Tweeter	1 x 25 mm (1"), ceramic
Dimensions (W x H x D)	17 x 14,5 x 26 cm (6.7" x 5.7" x 10.2") (horizontal)
Weight	3.6 kg
Colours	White semigloss Black „high-gloss“ Walnut veneer
